

How to Hire Star Employees

KEYBA Recruitment Training Program

COURSE DESCRIPTION

Does your recruitment strategy allow you to attract and hire highly motivated, driven staff who always aim to surpass targets, deliver outstanding results and make the most out of every opportunity to contribute to the growth of your business? Or do you tend to recruit whoever comes in and tells you they need a job?

Employing the best people for your business can take a significant amount of time, resources and in-depth industry knowledge, while hiring the wrong person costs even more.

Sign up for the Key Business Advisors Recruitment Training Program and make sure only the best talent join your team so that you get a maximum return on your investment in your staff.
